

In the center of Romania we are searching for an experienced **Herdmanager** for a leading arable and animal husbandry farm (total land 1.000 ha, 700 dairy cattle, 150 beef). The farm has as vision to develop further to a fully integrated farm (with a few professional end-clients). The owner is looking for a herd manager who has the ambition to stay for the long term in Romania (evt. with his or her family) and become partner in the farm. The actual herd manager will go in pension in the coming years, that is the reason the farm is looking for an ambitious herdmanager, who will realise (also as partner via share milking) the vision.

Herd Manager Romania

The Herd Manager should manage the cows and their offspring. He or she will be responsible for the 700 dairy cows (with 300 milking cows) and 150 meat cows on one of the locations of the company.

Responsibilities:

- Planning and managing activities for the staff, mentoring, coaching and monitoring them
- Planning finances and production to maintain farm progress against budget and KPI parameters
- Ordering supplies and feed
- Arranging the maintenance and repair of farm buildings, machinery and equipment
- Keeping financial and technical records up to date
- Working closely together with the Crop Manager (Agronomist)
- Acting as a member of the Management Team of the farm

Candidate profile:

You will recognise yourself in the following profile:

- BSc or equivalent level in animal husbandry or agricultural entrepreneurship
- All-round experience in (international) dairy farming
- Independent and ambitious
- Large sense of responsibility and proactivity
- Well-developed communication skills
- Talent for leadership
- Speaking English, willing to learn the Romanian language

Offered

A challenging function with excellent basic salary including board and lodging, transport and leave arrangements. In the neighbourhood of the farm you can receive on the salary on top a bonus, which can be received if KPI's are fulfilled. The herd manager can acquire step by step shares in the farm via share milking.

Application

If you believe that your credentials meet the outlined profile, we invite you to apply before the 16th of September by sending your resumé and cover letter stating your motivation to Pieter Helfferich of Agriprogress, pieter@agriprogress.com, more info: +31653782889.
